ECONOMIC INTELLIGENCE COMMITTEE

EIC-D-323/n

TERMS OF REFERENCE FOR THE SUBCOMMITTEE ON
ELECTRIC POWER AND SOLID FUELS

Approved by the EIC, 29 January 1959

A. Mission of EIC Subcommittee on Electric Power and Solid Fuels

The mission of the EIC Subcommittee on Electric Power and Solid Fuels is to provide an organizational framework for carrying out within its field the basic review and coordination responsibilities of the EIC and for ensuring that, on intelligence matters in its field affecting the national security, the intelligence community is supported by the full economic knowledge and technical talent available in or to the Government.

B. Membership and Organization

1. Membership of the Subcommittee on Electric Power and Solid Fuels consists of representatives of the USIB agencies as designated by these departments and agencies and approved by the EIC.

2. Representatives of other government departments and agencies may participate as Associate Members of the Subcommittee upon approval of the EIC.

3. Active participation by agency representatives generally is governed by (a) the extent to which each agency concerned has responsibilities for the production of economic intelligence in the fields of electric power and solid fuels, (b) the extent to which an agency has an interest in economic intelligence of broader scope which involves reference matters within the scope of the Subcommittee, and (c) the availability of qualified personnel.

4. The Chairman of the Subcommittee is designated by the EIC, and the Central Intelligence Agency provides the permanent Secretariat. The Subcommittee may set up ad hoc working groups as necessary to assist in carrying out any of its assigned functions. The production of interdepartmental economic intelligence normally is assigned to ad hoc working groups rather than to the Subcommittee proper.

C. Functions

1. As the standing interagency economic intelligence group of professional and technical personnel in the field of electric power and solid fuels, the Subcommittee shall perform the following minimum functions:

(a) With the guidance of current Priority National Economic Intelligence Objectives, identify significant research and collection deficiencies in the fields of electric power and solid fuels;

(b) Develop and report not less than annually to the EIC ways in which these recognized research deficiencies could be, or are being, corrected and ways in which improvements could be or are being made in economic intelligence collection requirements and in the distribution and processing of economic intelligence information;

(c) Facilitate review of proposals for external research contracts in its field in accordance with the provisions of DCID 3/1 using the procedures adopted by the EIC;

(d) Produce, on its own initiative (with EIC approval), or when directed by the EIC, interdepartmental economic intelligence on subjects in the fields of electric power and solid fuels which transcend the competence of a single department or agency;

(e) Arrange on its own initiative, or when directed by the EIC, for the coordination of individual agency reports deemed of sufficient national security importance to warrant the solicitation

of concurrences from the representatives on the Subcommittee.
Arrange for coordination with other Subcommittees as appropriate;

(f) Mobilize, in support of the intelligence community, the full economic knowledge and technical talent in its fields available in or to the Government. Such support will normally take the form of ad hoc responses to the requests of other USIB Committees.

2. In addition to the minimum functions outlined above, the Subcommittee on Electric Power and Solid Fuels, when appropriate, shall perform the following functions with respect to its assigned fields:

(a) Assist or advise agencies in the programming of economic intelligence research in order to minimize duplication and assure as effective a distribution of research effort as is practical in view of each agency's responsibilities;

(b) Provide an opportunity for the review and comparison of methodologies utilized in research in the fields covered by the Subcommittee;

(c) Provide an opportunity, where appropriate and practical, of obtaining closer agreement on selected basic statistics within the fields of competence of the Subcommittee;

(d) Bring to the attention of the EIC current problems and requirements for coordinated research which are recognized by the members of the Subcommittee.

D. Operating Procedures

1. The Subcommittee shall meet periodically as required to fulfill its mission, provided that it convene at least once each fiscal year.

2. The Subcommittee shall prepare and approve an Annual Report to the EIC which will be responsive to the request of the EIC Secretariat and will cover the activities of the Subcommittee in fulfilling its mission as outlined in C, above.
